6. Representations, Warranties and Covenants.

6.1 Representations and Warranties of Seller. Seller hereby represents and warrants to Buyer that:

(a) Due Authority. This Agreement and all agreements, instruments and documents herein provided to be executed or to be caused to be executed by Seller are and on the Closing Date will be duly authorized, executed and delivered by and are binding upon Seller. Seller is a limited liability company duly organized and validly existing and in good standing under the laws of the State of Rhode Island and is duly authorized and qualified to do all things required of it under this Agreement. Seller has the capacity and authority to enter into this Agreement and consummate the transactions herein provided without the consent or joinder of any other party.

(b) No Conflict. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereunder on the part of Seller does not and will not conflict with, or result in the breach of, any terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien, charge, or encumbrance upon any of the property or assets of the Seller by reason of the terms of any contract, mortgage, Lien, lease, agreement, indenture, instrument or judgment to which Seller is a party or which is or purports to be binding upon the Seller or which otherwise affects Seller or any of the Property.

(c) Foreign Person. Seller is not a “foreign person” as defined in Section 1445(f)(3) of the Internal Revenue Code.

6.2 Cooperation by Seller. Seller understands that Buyer is acquiring the Easement for the purposes of constructing and operating thereon an electrical transmission line and related facilities. Seller agrees to reasonably cooperate with Buyer, at Buyer’s request, and at no out of pocket cost to Seller, with Buyer’s development of the Easement for its intended uses. Furthermore, Seller agrees that neither Seller nor any affiliate of Seller will, directly or indirectly, oppose or support those opposing the proposed development of the Easement for Buyer’s uses in any forum or in media. This provision shall survive the Closing.

6.3 Representations and Warranties of Buyer. Buyer hereby represents and warrants to Seller that:

(a) Due Authority. This Agreement and all agreements, instruments and documents herein provided to be executed or to be caused to be executed by Buyer are and on the Closing Date will be duly authorized, executed and delivered by and are binding upon Buyer. Buyer is a Delaware limited liability company, duly organized and validly existing and in good standing under the laws of such state and is duly authorized and qualified to do all things required of it under this Agreement. Buyer has the capacity and authority to enter into this Agreement and consummate the transactions herein provided without the consent or joinder of any other party.

(b) No Conflict. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereunder on the part of Buyer does not and will not conflict with, or result in the breach of, any terms or provisions of, or constitute a default under any contract, mortgage, lien, lease, agreement, indenture, instrument or judgment to which Buyer is a party. The execution and delivery of this Agreement and the documents contemplated herein, and the performance of the transactions contemplated hereby and thereby do not and will not contravene any provision of the operating agreements of the Buyer, any judgment, order, decree, writ or injunction issued against or binding upon Buyer, or any provision of any Laws applicable to Buyer.

6.4 Covenant of Buyer. Buyer agrees to restore and repave as appropriate any areas of the Property disturbed or impacted by Buyer’s construction. This obligation shall survive the Closing.

7. Remedies.

7.1 Buyer Default. If, after the Exercise Date, Buyer breaches or fails to complete the purchase of the Easement or to perform any obligations and covenants under this Agreement (“**Buyer Default**”), then Seller shall be entitled, as its sole and exclusive remedy hereunder, to retain the Option Fees as full liquidated damages for such Buyer’s default, whereupon this

Agreement shall terminate and the parties shall have no further rights or obligations hereunder. In no event shall Buyer be liable for any consequential or punitive damages. Notwithstanding the foregoing, a Buyer Default shall not have occurred until the expiration of ten (10) business days following delivery of written notice to Buyer specifying the nature of the Buyer Default and Buyer's failure to cure the alleged Buyer Default within such ten (10) business days; provided, however, if the nature of Buyer Default is such that more than ten (10) business days are reasonably required for its cure, then it shall not be deemed a Buyer Default if Buyer commences such cure within said ten (10) business day period and thereafter diligently prosecutes such cure to completion.

7.2 Seller Default. If Seller breaches or fails to complete the sale of the Easement or to perform any obligations and covenants under this Agreement ("**Seller Default**"), then, unless Buyer elects to waive any such Seller Default, Buyer may, as Buyer's sole and exclusive remedy hereunder, (i) enforce specific performance of this Agreement against Seller or (ii) terminate this Agreement. Buyer's election of remedies shall be made by Buyer in its sole discretion. The provisions of this Section shall survive Closing or the earlier termination of this Agreement.

8. Buyer's Access. As of the Effective Date and during the term of this Agreement, Seller hereby grants to Buyer, its agents, contractors and consultants, upon 24 hours prior telephonic or e-mail notification, reasonable and necessary access that Buyer may desire to review and inspect all aspects of the Easement, including but not limited to all physical conditions, environmental conditions and geotechnical reports and studies, title, surveys, zoning and land use requirements, taxes, assessments and other conditions relating to the Easement and the physical condition thereof, to ascertain that all are acceptable to the Buyer in its sole judgment in all respects; provided, however, that Buyer's access and inspections shall not interfere with Seller's operations at the Easement. Buyer shall repair any damage to the Easement caused to the Easement as a result of Buyer's access and inspections hereunder, and shall indemnify Seller against any loss, cost, damage or claim actually incurred by Seller and caused by Buyer's access and inspections. Buyer shall have the right to conduct environmental testing of the soil as may be required: (1) pursuant to any Environmental Land Use Restriction and Soil Management Plan applicable to the Easement; (2) by a specific mandate of the Rhode Island Department of Environmental Management; or (3) to meet standards for waste manifesting and disposal, if applicable. Buyer shall give Seller prior written notice specifying the requested testing, including a reasonable protocol that meets all regulatory requirements for such testing before any such testing is undertaken. Prior to such time as any Buyer's representatives enter upon the Land, Buyer shall (A) obtain policies of general liability insurance which insure Buyer and Seller with liability insurance limits of not less than \$2,000,000 combined single limit for personal injury and property damage, and name Seller as an additional insured, and (B) provide Seller with certificates of insurance evidencing that Buyer has obtained the aforementioned policies of insurance. In conducting any inspections, investigations, or tests of the Land, Buyer and its agents and representatives shall: (i) comply with all applicable laws; (ii) promptly pay when due the costs of all tests, investigations, and examinations done with regard to the Land; and (iii) not permit any liens to attach to the Land by reason of the exercise of its rights hereunder. Buyer shall bear the cost of all such inspections or tests.

9. As-is, Where-is Condition. Except as otherwise expressly provided in this Agreement, the sale of the Easement hereunder is and will be made on an "**AS IS, WHERE IS**" basis. Seller has not made, does not make and specifically negates and disclaims any representations, warranties or

guaranties of any kind or character whatsoever, whether express or implied, oral or written, past, present or future of, as to, concerning or with respect to the Easement or any other matter whatsoever, except as expressly set forth herein.

10. Miscellaneous.

10.1 Brokers. Seller represents and warrants to Buyer, and Buyer represents and warrants to Seller, that such party has not dealt with any real estate broker with respect to the transaction set forth in this Agreement, and there are no real estate brokers, salesman or finders involved in this transaction who would be entitled to a commission, finder's fee or other compensation with respect to this transaction. If a claim for a commission, finder's fee or other compensation in connection with this transaction is made by any other broker, salesman or finder claiming to have dealt by, through or on behalf of one of the parties hereto, such party shall indemnify, defend and hold harmless the other party and such other party's partners, members, managers, directors, officers, shareholders, employees, agents, advisors and affiliates, and their respective successors and assigns, from all losses, liabilities, costs and expenses (including, without limitation, reasonable attorneys' fees and court costs through all trial and appellate levels), damages, liens, claims, actions and causes of action arising or resulting from or relating to such claim for compensation. The foregoing indemnities shall survive the Closing and execution and recording of the Easement Agreement.

10.2 Limitation of Liability. Notwithstanding anything to the contrary contained herein, the direct and indirect shareholders, partners, members, trustees, officers, directors, employees, agents and security holders of the parties are not assuming any, and shall have no, personal liability for any obligations of the Parties hereto under this Agreement.

10.3 Exhibits; Entire Agreement; Modification. All exhibits attached and referred to in this Agreement are hereby incorporated herein as if fully set forth in (and shall be deemed to be a part of) this Agreement. This Agreement contains the entire agreement between the parties respecting the matters herein set forth and supersedes all prior agreements between the parties hereto respecting such matters. This Agreement may not be modified or amended except by written agreement signed by both parties.

10.4 Governing Law. This Agreement shall be construed and enforced in accordance with the Laws of the State of Rhode Island.

10.5 Successors and Assigns. Buyer may assign its rights, obligations and interest in this Agreement to any other person or entity, without first obtaining Seller's prior written consent. Such an assignment shall not relieve Buyer from any liability or obligations under this Agreement. In the event of a proposed assignment of its rights, obligations and interest in this Agreement in which Buyer seeks to be relieved from any liability or obligations under this Agreement, Buyer shall first obtain Seller's prior written consent to such an assignment. Subject to the foregoing, this Agreement and the terms and provisions hereof shall inure to the benefit of and are binding upon the successors and assigns of the parties.

10.6 Notices. Any notice, demand, request, consent, approval, disapproval, or certificate which a Party is required to give the other Party under this Agreement (each, a "**Notice**") shall be

in writing and given by (i) certified mail, postage prepaid and return receipt requested, (ii) personal delivery or (iii) Federal Express or a similar nationwide over-night delivery service providing a receipt for delivery. Service of any such Notice shall be deemed effective on the day of actual delivery (whether accepted or refused) as evidenced the addressee's return receipt if by certified mail, or as confirmed by the courier service if by courier; provided, however, that if such actual delivery occurs on a Saturday, Sunday or a national holiday, then such notice or demand so made shall be deemed effective on the first business day after the day of actual delivery. Either Party may change its address by giving reasonable advance written notice of its new address in accordance with the methods described in this Section.

10.7 Severability. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each such term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

10.8 Memorandum of Option. This Agreement shall not be recorded in any public record. Notwithstanding the foregoing, upon execution of this Agreement, Seller and Buyer shall execute and shall cause to be recorded in the North Kingstown Land Evidence Records a Memorandum of Option in the form attached hereto in Exhibit B.

10.9 Confidentiality. No press release or other public disclosure regarding the terms of this Agreement or the transaction contemplated hereby shall be made without the prior written consent of Buyer and Seller. However, either Party shall have the right to make public disclosures required by any Laws.

10.10 Acceptance of Easement Agreement. The execution and delivery of the Easement Agreement by Seller to Buyer shall be deemed full compliance by Seller of all of Seller's obligations under this Agreement except for those obligations of Seller which are specifically stated to survive the Closing hereunder.

10.11 Counterparts; Delivery. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same document. The delivery of an executed counterpart of this Agreement by facsimile or as a PDF or similar attachment to an e-mail shall constitute effective delivery of such counterpart for all purposes with the same force and effect as the delivery of an original, executed counterpart.

10.12 Submission not an Offer or Option. The submission of this Agreement or a summary of some or all of its provisions for examination or negotiation by Buyer or Seller does not constitute an offer by Seller or Buyer to enter into an agreement to grant the Option or to sell or purchase the Easement, and neither Party shall be bound to the other with respect to any such purchase and sale until an agreement satisfactory to the Buyer and Seller in their sole discretion is executed and delivered by both Seller and Buyer.

10.13 Arbitration. Any dispute arising under this Agreement that the Parties cannot resolve by discussion among authorized representatives for a period of thirty (30) days shall be decided by binding and non-appealable arbitration before a single arbitrator pursuant to the commercial arbitration rules of JAMS. Following a demand for arbitration by either Party after the expiration of the thirty-day discussion period, the parties shall have five (5) business days to agree upon an arbitrator. If the parties cannot agree upon an arbitrator within such period, then either Party may request that JAMS appoint an arbitrator. The decision of such arbitrator shall be final, and either Party may apply to a court of competent jurisdiction for the confirmation thereof. The prevailing Party in such arbitration shall be entitled to reimbursement of its reasonable attorney's fees and costs, expert witness fees and arbitration fees. The parties agree that any such arbitration must be completed within thirty (30) days of appointment of the arbitrator.

10.14 No Reliance. Seller makes no representation or warranty as to the truth, accuracy or completeness of any materials, data or information delivered by Seller or its brokers or agents to Buyer in connection with the transaction contemplated hereby. Buyer acknowledges and agrees that all materials, data and information delivered by Seller to Buyer in connection with the transaction contemplated hereby are provided to Buyer as a convenience only and that any reliance on or use of such materials, data or information by Buyer shall be at the sole risk of Buyer.

11. Certain Defined Terms. As used herein:

11.1 **“Closing Date”** shall mean the date on which the Closing occurs hereunder, which date shall be a date selected by the Parties in writing, but not later than sixty (60) days after the issuance of a final, non-appealable approval by the Rhode Island Energy Facilities Siting Board (**“Approval”**), except to the extent Seller and Buyer may agree in writing otherwise.

11.2 **“Escrow Agent”** shall mean the Title Company.

11.3 **“Governmental Entity”** shall mean any United States national, federal, state, provincial, municipal or local government, governmental, regulatory or administrative authority, agency, board, instrumentality or commission or any court, tribunal, or judicial body.

WHEREAS, Grantor desires to grant to Grantee a perpetual easement for construction and operation of an underground high-voltage transmission line and related appurtenances and Grantee desires to acquire from Grantee such an easement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Grant of Easement. The Grantor does hereby give, grant, transfer and convey to the Grantee, its legal representatives, grantees, successors, assigns, with quitclaim covenants, a perpetual exclusive commercial easement in gross (1) to erect, install, construct, reconstruct, replace, repair, maintain, use, operate, inspect and patrol an underground electric ductbank and splice vault system for the transmission of high and low voltage electric current, including underground wires and lines for communication, signal and control purposes, under a strip of land located on the Property and more particularly described on Exhibit B attached hereto (the "Easement Area"), which lines may consist of (a) conduits, pipes or ducts and manholes, with wires, cable and ground wires installed within the same, or of wires, cables and ground wires buried in the ground, or of combinations of all or any of the same, together with (b) all necessary foundations, supporting structures, hardware, fittings, equipment and appurtenances and (c) such culverts and ways of access as may be reasonably necessary for the convenient construction, operation, maintenance, inspection and patrolling of said lines (the "Facilities"); (2) to construct such Facilities, or any of them, at any time hereafter and at the same or different times and to renew, add to, replace, remove and otherwise change the Facilities and each and every part thereof and the location thereof within the Easement Area; (3) to clear and keep clear by physical, chemical or other means the Easement Area or any part thereof of trees underbrush, buildings or other structures; (4) to remove or trim at any time trees located on land outside of the Easement Area now owned by the Grantor which in the judgment of the Grantee may endanger said lines or the operation thereof; and (5) to enter upon and to pass along the Easement Area and across adjoining lands of the Grantor, on foot and by vehicle, for all of the above purposes, utilizing for such purposes any service roads or parking areas on such adjoining land of the

Grantor from time to time, to the greatest extent possible, and grade the Easement Area, as reasonably required.

2. Grantor Undertakings. The Grantor, for the Grantor and the Grantor's successors in title to the premises, covenants and agrees with the Grantee, its successors and assigns, that neither the Grantor nor any of said successors in title will (i) use or alter the Easement Area or change the present grade or ground level of the surface thereof by excavation, filling or otherwise in any manner that may endanger or interfere with the operation or maintenance of the Facilities or disturb any of the Facilities; or (ii) do any other act which may be inconsistent with or unreasonably interfere with the rights and easements herein granted.

3. Ownership of Facilities. It is understood and agreed that the Facilities, whether or not attached to the Property, shall remain the property of the Grantee and that the Grantee shall pay all taxes assessed thereon.

4. Maintenance and Repair. The Grantee, its agents and contractors shall have the right to enter upon the Property for the purposes of constructing, repairing, replacing, removing and maintaining the Facilities, at its expense, at any time upon prior notice during business hours of at least twenty four (24) hours (except in emergencies when notice is not required) which notice shall include a description of the scope and nature of the work to be performed. Any disturbances to the Property and/or Easement Area caused by any such entry shall be promptly repaired by Grantee in a workmanlike manner.

6. Indemnification and Insurance. The Grantor shall indemnify and hold harmless the Grantee from and against any and all action, causes of action, suits, claims, demands, obligations, damages and liabilities, of any nature whatsoever, including court costs and reasonable attorneys' fees, arising from the failure of the Grantor to perform its obligations hereunder or to comply with the terms and conditions of this Agreement. The Grantee shall indemnify and hold harmless the Grantor from and against any and all action, causes of action, suits, claims, demands, obligations, damages and liabilities, of any nature whatsoever, including court costs and reasonable attorneys' fees, arising from the exercise of the Grantee's rights or performance of its obligations hereunder.

It is specifically agreed that the only parties who may enforce this Agreement are the parties hereto and their grantees, successors and assigns.

8. Successors and Assigns. All terms, covenants and easements of this Agreement shall be binding upon and inure to the benefit of each of the Grantor and the Grantee and their respective grantees, successors and assigns. Failure of the Grantee, or its grantees, successors and assigns to comply with the terms of this Agreement (including, but not limited to the requirements to maintain insurance as provided herein) shall entitle the Grantor (and its grantees, successors and assigns), after written notice to the Grantee (or its grantees, successors or assigns) of such failure and the continuance of such failure for thirty (30) days thereafter, to terminate this Agreement.

9. Removal. If this Agreement is terminated as provided above, Grantee at its expense shall remove all Facilities on the Property and restore the Property to its approximate original condition that existed before the Grantee installed the Facilities.
